## Venue Capacity

Total: 800 (Theatre Seating) 400 (Banquet)

## Technical Staff

The paranable convention centre utilise a Tech on Duty system, who must be present at all times whilst the convention centre is in use for which hirers will be charged at the current rate.

The convention centre provides professional FOH & Technical staff at cost to Hirer.

Please contact convention centre management for all Hire Fees.

## Staging Area

The paranable convention centre has a modular pro-stage scalable stage available at cost to hirers. It consists of 16 1m X 2m panels with stairs, skirts, side rails and wheelchair accessible ramp if required. It can be set in any preferred configuration at heights of 300mm, 600mm or 900mm.

Additional panels are available.

## Loading Bay Access

A covered loading bay is situated on the western side of the building with access from Best Street. The Loading bay is restricted to a 15 minute time period. Loading is via a goods lift rated at 4 tonnes. Contact your functions officer to book bump in / out times.

## Disabled Access

All parts of the paranable convention centre has unfettered access, including stages if requested.

## Electrical Safety

Testing and Tagging: The PCC adheres to Australian Standard AS/NZS 376.

---
